

IHEA MEMBERSHIP APPLICATION FORM

Information submitted on this form will be posted on the IHEA website and printed in the Association Membership Directory. By signing this application your company and its representatives agree to abide by the bylaws of the Association and pay dues. Dues necessary to carry out the activities of the association for each fiscal year are assessed against the members according to a formula recommended by the Board of Directors and submitted to the membership for approval.

DUES

Manufacturing Member

First Year New Membership = \$2,000 (to be submitted with Application Form)

Annual Dues are calculated based on annual revenues. Revenues are defined as all revenues a company derives from the business activities of collective operations in North America, including all goods and services accounted from North America corporate profit centers that result in being sited inside or outside North America.

After the first year of membership, dues are \$3,000 plus .0002 times those revenues over \$3,000,000 (\$200 per million), but not exceeding \$8,500 per year.

Professional Services Member

First Year New Member = \$2,000 (to be submitted with Application Form)

After the first year of membership, annual dues are \$3,500.

TO APPLY: Complete both pages of this form. Mail or fax the Application Form along with your check (made payable to IHEA in U.S. dollars) or credit card information (name, type of card, card number and expiration date) to:
